Biography

Feedback Loop is a Sacramento-based cover band specializing in rock, pop, and alternative hits spanning the 1970s to now.

Based in Sacramento, **Feedback Loop** is a four-piece cover band delivering an energetic mix of rock, pop, and alternative hits spanning the 1970s through today. Blending timeless classics with modern favorites, the band creates a setlist that appeals to audiences of all ages, keeping dance floors full and crowds singing along from the first song to the last.

Formed in February 2025, **Feedback Loop** has quickly built a reputation for tight musicianship, engaging performances, and a passion for bringing great songs to life. The band has performed at venues throughout the Sacramento region, including Sacramento, Orangevale, and Folsom, earning enthusiastic responses from audiences and venue partners alike.

Whether playing a neighborhood venue, private event, festival, or community celebration, **Feedback Loop** delivers a fun, high-energy live experience that combines crowd favorites, professional performance, and a genuine love of live music. With a versatile repertoire covering five decades of hits, the band is ready to entertain audiences wherever the music takes them.
